PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 245C3 to
Christine, Texas as that community's first local service.
Christine is an incorporated city in Atascosa County Texas
with a population of 436.¹ Christine has its own city hall,
mayor and city council Christine has a volunteer fire
department and its own post office. Like other "communities"
to which the FCC has allotted a local FM service, Christine
has several local churches (Catholic, Baptist and Methodist),
and commercial businesses (Christine Country Store, Country

¹ U.S. Census 2000

Cactus Mart, Alice's Kitchen, etc.) The proposed channel 245C3 will provide additional diversity and an outlet for local self-expression to Christine residents and therefore is in the public interest.

Should this petition be granted and Channel 245C3 is allotted to Christine, Texas, Petitioner will apply for Channel 245C3 at Christine and after it is authorized, will promptly construct the new facility. Furthermore, should the Commission authorize Channel 245C3 at Christine, Texas, and eventually proceed to auction, I hereby certify that it is my full intention to apply to participate in that auction of Channel 245C3 allotment at Christine specified in my petition.

The factual information provided in these Petitioner's Comments is correct and true to the best of my knowledge.

Respectfully submitted,
